It's no measure of health to be well adapted to a profoundly sick society Too much angst sucks, seriousness is overrated, melodrama is comedy.. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again, who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who at best, knows the triumph of high achievement; and who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat.. Tactics Ogre differs widely from: it is far less open-ended, it does not take place on Xenobia, it is a game and focuses on a much smaller group of people.. () A game in the popular series, Tactics Ogre: Let Us Cling Together (Episode VII), was the final game made by at Square-Enix before he left for other pastures.
